Alan,

Hopefully you will quickly notice that you forgot the attachment and re-send this email with the intended attachment. Also, have you distributed it yet to Roberta Parry & Katie Flahive (and whoever else in on your Ag Issue Team)?

Thanks for all your hard work and the discussion about the Ag options on today's call.

Don

Attached is the "Ag Management Measures – Proposed Options" paper as was discussed earlier today. Jayne, please circulate this document to management for their review for tomorrow's meeting. I know this is late, but if you have any comments or recommended changes, please send them my way.

If you have any questions, feel free to give me or Allison a call.

Thank
